REQUEST FOR CERTIFICATE OF CORRECTION

Assistant Commissioner for Patents
Washington, DC 20231

Dear Sir:

Attached to this document is a Form PTO-1050 which lists two errors made by the Applicant in good faith. These errors are typographical errors which were inadvertently introduced in an Amendment dated September 18, 1997.

In this regard, original claim 8 used the correct term "polypropylene". In a portion of the claim not changed by the amendment the word appeared as "polyporpylene". This error was carried through by the printer.

Similarly, original claim 11 used the term "resins". In a portion of the claim not changed by the amendment the word appeared as "resin". This error was carried through by the printer.

The above-mentioned errors were the fault of the Applicant, and a Fee Transmittal Sheet is enclosed for the \$100 fee. The Assistant Commissioner is authorized to credit any overpayments or charge any additional fees to Deposit Account No. 10-0849.
